

150 YEARS OF HELPING HOMELESS PEOPLE: 1860-2010

## Fundraising Ideas

### Sponsored Events

Nearly every week it may seem that you get a request for sponsorship from someone we know. If you want to do a sponsored event then make sure it stands out from the crowd.

If you need a little help with getting in shape or quitting smoking then being sponsored is the ideal way to do it and your friends would be more than happy to give you that extra support for along the way.

### Cupcakes and Muffins

The traditional cake sale is always popular whether they are sold at work, college, church or just to mates. Cupcakes are very popular at the moment and you can have fun decorating them.

### Pop up restaurant

Why not have a mini restaurant in your own home, choose a simple menu, charge your friends a set price with the proceeds coming to Providence Row!

### A Night at the Races

Hold an evening at the races, showing pre recorded races – horses, dogs, cars, people – what ever you prefer, you could theme it and dress appropriately. Then your guests place bets and the proceeds of these go to Providence Row.

### Jumble sale/yard sale/garden sale/bring and buy sale/car boot sale

What ever you call it this is another traditional fundraising event that always goes down well, either charge people to attend with their stalls and ask for an entrance fee, or just have all the proceeds from everything sold coming to us.

### Collections

We are always in need of various everyday household items; please contact us to find out what we would currently benefit most from. In general however these items include:

- Men's socks
- Men's pants
- Towels (second hand preferred)
- Shower gel
- Shampoo
- Shaving foam
- Razors

Please note we are unable to collect items from you.
